**REQUEST FOR WITHDRAWAL OF REQUIREMENT**  
**TO SUBMIT INTERVIEW SUMMARY**  
**WITHIN ONE (1) MONTH OF OFFICE ACTION**

Sir:

The Office Action of February 26, 2009 required Applicant to submit a statement of the substance of an interview conducted with Examiner Schneider on February 23, 2009, giving Applicant a non-extendable period of one month of 30 days from the interview date of February 23, 2009 to submit the summary. Applicant maintains that the requirement for submitting an interview summary is improper because during the interview Applicant only asked if there was a human translation of the prior art reference WO98/45594. Applicant did not discuss the merits of the rejection nor the application nor did Applicant request reconsideration. At best, Applicant's inquiry could only be characterized as procedural in nature, if anything, and certainly not bearing on the merits of the rejection, the application or a request for reconsideration. There is no basis in 35 U.S.C. or 37 CFR 1.133(b) to demand the interview

summary be submitted. Withdrawal of such requirement is respectfully requested.

Respectfully submitted,
